Report- GPAT Orientation Programme

GPAT Orientation Programme was organized in Sree Vidyanikethan College of Pharmacy on 27-02-2020 by Ms. Jaya Preethi P, Assistant Professor, and Department of Pharmaceutical Chemistry. The programme was presided over by our Principal, Dr. Anna Balaji. Principal highlighted the needs for the orientation programme, advised the students to utilize the programme effectively and also shared some of his experiences about active learning.

Resource person of the programme was Mr. G Giridhar, NIPER alumni, Prepbuddy mentor. Mr. G Giridhar guided the students about one of the most important exams in pharmacy in India-GPAT. He explained in detail about the eligibility, exam format and pattern and marks calculation. He also gave an account for the significance of GPAT in other competitive exams and job opportunities. He shared several interesting insights on how to study for GPAT and ultimately qualify it. Students were also made aware about the importance of GPAT for securing their admission in top institutions like NIPER.
