AN EXPERT TALK ON EFFECTIVE USAGE OF THE BLACKBOARD Programme Report

An expert talk on effective usage of Blackboard, was organized by Department of Pharmaceutical Chemistry on April 16th 2021 from 3.00 PM to 4.00 PM in Room no.1507. The main objective of this event to explain the usage of blackboard and how it can make the teaching productive.

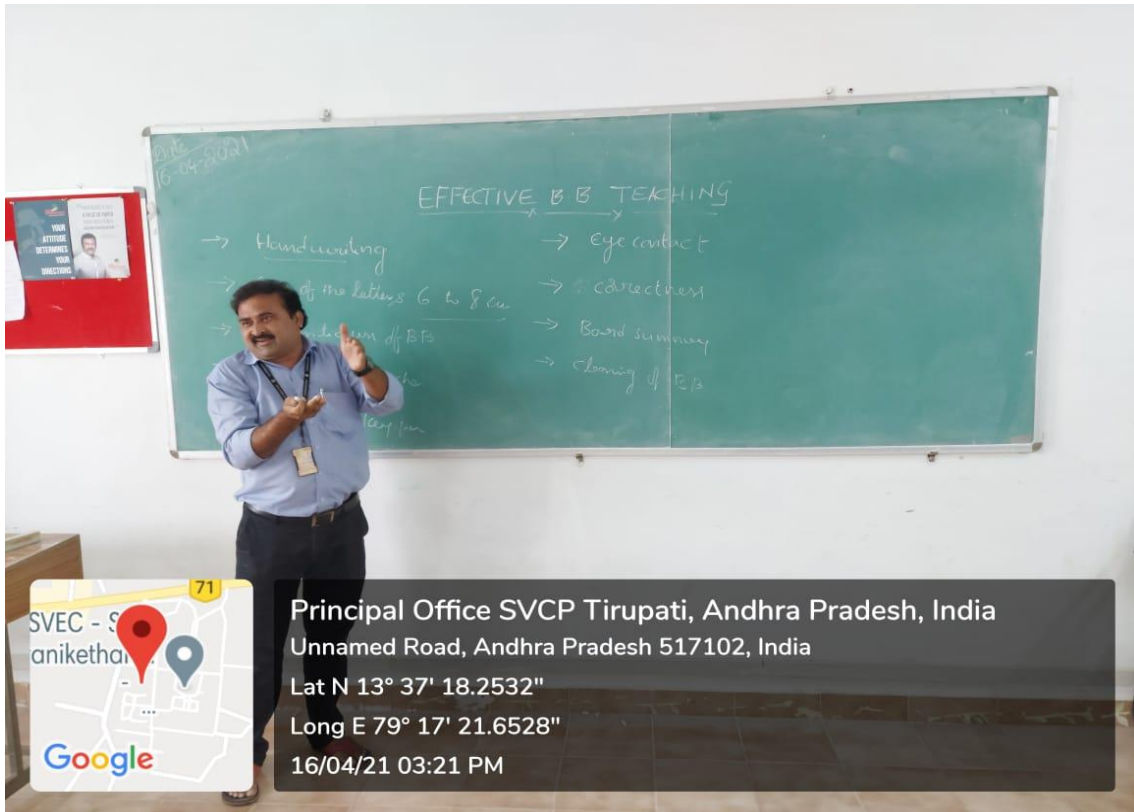

Mr. S. Sivasankar, Assistant Professor, Department of Pharmaceutical Chemistry, delivered a talk on "**Tips on Effective usage of the Blackboard**". In this talk, he has explained the components of the black board and also elaborated the importance of these components in teaching.

Dr. Anna Balaji, Principal, SVCP, also shared his valuable opinions on how to make effective teaching. All the Teaching staff of Sree Vidyanikethan College of Pharmacy participated and shared their own opinions as well. The talk was beneficial for all the teaching staff, especially, the newly joined faculty gained profound knowledge about how to use of blackboard effectively to increase the attention of students towards the topic &also for better understanding of the topic.

We would like to thank our Principal, **Dr. Anna Balaji** HOD and Faculty members, Department of Pharmaceutical Chemistry & Analysis for the fruitful session.
